

COLOMEADOW FARM'S GRAND PRIX SALE

AT THE FARM -- BYERS, COLORADO
NOVEMBER 10, 1969

The Colomeadow champion carload of Shorthorn bulls at the 1969 National Western. Nine members of this group sell in this sale.

WELCOME TO COLOMEADOW

This sale is aptly named "Grand Prix".

The "Grand Prix" determines the world title in auto driving. Ten twisting, turning races make up the competition.

The quest for cattle excellence is no less demanding. A lot of turns need to be negotiated to keep in tune with the times. Colomeadow has made these turns in their acquisition of several great, new Polled Shorthorn sires. These bulls were not acquired so much for their polled characteristics as for other traits Colomeadow felt it needed in continuing to produce even bigger, trimmer and better-muscled cattle than they have had in the past.

You can "drive" a long way down the road to improvement by being at Colomeadow November 10th and acquiring some of this "Grand Prix" blood.

TERMS

CASH: All settlements must be made with clerk before cattle are moved from the farm.

HEALTH

Official vaccination for Bangs disease has been practiced in the John F. Shuman and Sons' herd. T.B. and Bangs tests will be furnished on every animal sold and official vaccination certificates with all females under 30 months of age. Every lot will comply with the health regulations of any state.

GUARANTEE

All cattle will be sold under the Standard Guarantee recommended by the American Shorthorn Association printed elsewhere in this catalog. Shipment will be made as soon as possible. Cattle are at the buyer's risk as soon as sold, but every care will be given until shipment is made. To avoid confusion, hand shipping instructions to clerk along with accurate information as to whom the pedigree is to be transferred.

LIABILITY

The guarantee will constitute a contract between the buyer and seller

THE SHUMAN GUARANTEE

Every animal in this catalog is honestly described and accurately illustrated. Each purchase you make must live up to everything we have promised for it and it must give you the service you have a right to expect.

If any animal purchased from Colomeadow does not meet these standards, you may return it. According to your instructions, we will refund your money (or credit your account), including any transportation charges you have paid, or will replace the purchase or do anything we can to make YOU a satisfied customer.

of each lot. Although every precaution will be exercised to protect the safety and comfort of those attending, neither the owners of the cattle selling nor any of their representatives, nor auctioneers, clerks or any other affiliated personnel can assume any liability for accidents.

COME EARLY TO SEE THE CATTLE

Come anytime, of course, especially so, early on Sunday, November 9. There will be informed personnel at the Byers farm to show and talk about the cattle selling. There's a modern, new restaurant — The Longhorn — Byers and we know your party would enjoy Sunday dinner there.

AND THE COW HERD, TOO!

The cow herd is maintained on native grass at the Deer Trail unit. Stop there on your way to the sale (1 mile West and 4 miles South of Deer Trail) or make it a part of your Sunday schedule. You will want to see Dams of sale cattle and verify our oft-stated belief that cow herds should be uniform, have size and be practically-maintained!

Auctioneer

Once again, absentee buyers can do their own bidding by phone. If you are interested in placing bids on an animal, or animals, just let us know which ones. At our cost we will call you right before the animal enters the ring. You can listen to the bidding and place your own bids, through a ringman, to the auctioneer. We have installed two phones on the auction block for this purpose. Those numbers are AC 303 822-5300 and 822-5305.

I have been servicing Shuman Shorthorns for over 16 years and can verify that the health of this herd is excellent. Good management and preventive medicine come first. All animals offered will be Bang's tested or vaccinated and T. B. tested. Interstate health charts will be furnished and this sale offering will be eligible to travel anywhere.

35 HEAD

DICK HECKENDORF, Brighton, Colo. 15 head

JERRY WALTER, Sublette, Kans. 6 head

We are expecting a few others from our bull customers.

Mr. Don Tracy, Boulder, Colo.; Dick Heckendorf, Brighton, Colo.; Ted Aegeuter, Seward, Nebr.; and Dick Kane, Wisner, Nebr., enjoy last year's Colomeadow Social Hour.

Mr. and Mrs. Ralph Cramer, Elmwood, Okla. and Bill Lewis, Guymon, Okla., valued Colomeadow customers.

Below were a few of the cars that annually pack the Colomeadow yards on sale day.

Colomeadow Minerva, mother of the \$3,000 Colomeadow Triadic owned by Anderson Farms, Inc., Encampment, Wyo., and the \$2,150 Colomeadow Trojan owned by Len-Ru Farms, Hartley, Iowa. When one considers that every animal sold in the Colomeadow annual sales is out of outstanding dams, it is easy to see why the Colomeadow reputation for producing breed-improving Shorthorns, continues to grow with every passing year.

SHUMAN COWS WEIGH MORE

A report released February 1, 1968, by Colorado State University, shows these interesting average weights:

Shuman Cows	1166 lbs.
Hereford Cows	1068 lbs.
Angus Cows	920 lbs.
Galloway Cows	850 lbs.

This represents 10,034 head from 36 herds under the Colorado Record of Performance Program. Shuman Shorthorn cows average almost 100 lbs. more than the nearest averaging breed.

WELCOME TO COLOMEADOW —

Once again it is my pleasure to welcome all our Shorthorn friends to be with us for our club calf sale and our social hour November 9th and our annual breeding cattle sale, November 10th.

You will enjoy visiting your friends and meeting new ones. I can truthfully say I have never attended a sale that didn't renew my enthusiasm for Shorthorns and Shorthorn people. Our sale trips have always been time and money well spent.

All of us at Colomeadow are going all out to make this our best sale to date. The Banner calves

are worth driving a long way to see. We are selling ALL of our 1968 heifers without exception. There are many females in this group that should never leave Colomeadow. Few breeders can afford to part with heifers like COLOMEADOW RUTHANN 4th out of the AAA Colomeadow Ruthann that produced Buddy Rambo's ton-plus American Royal champion Colomeadow Pride of the 66th; or COLOMEADOW AUGUSTA 22nd, a daughter of the dam of Colomeadow Sting Ray, the only Shorthorn Certified Meat Sire; or COLOMEADOW BUNNY BELLE, the daughter of the good Colomeadow Belle 10th that has produced over \$15,000 worth of sons and

The breed's highest classifying herd.

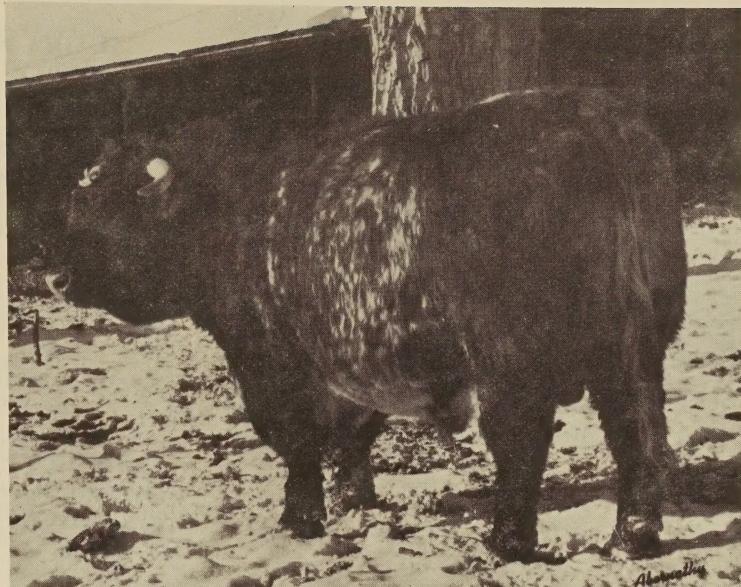

The herd that produced the only Certified Meat Sire of the Shorthorn breed.

The herd where sonoscope scores show that you get extra bred-in muscling with every bull purchased.

The herd with more natural fleshing.

The herd that produced over 120 championships since 1965.

The herd that bred the National Western record selling bull and the Western Short-horn Ass'n record seller.

This impressive sire is the great Colomeadow Control, probably the most underrated bull of the Shorthorn breed. Unfortunately, this great improver died August 9th but his genes will continue to work improvement for many generations to come. He had the size and frame so eagerly sought by profit-conscious cattlemen today.

daughters for us. These are just a few of the many great cattle to be offered.

A real feature, we think, will be the service of Pheasant Creek Leader x, the best bull I have seen in a long time. Thanks to Mr. Dreger, we are selling Leader's first son and daughter in this sale. Be sure to see them.

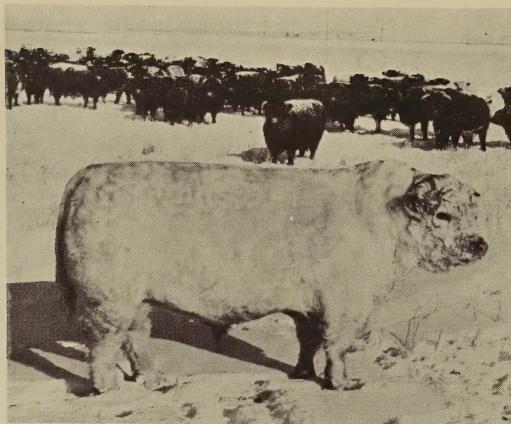

Our females have had no grain so will continue to grow and produce calves for their new owners.

We are indeed happy to have Elsie Hein & Sons, Sheridan, Wyo., Willard and Joan Hartley, Brewster,

Kans., and Kathy Schmidt, Arlington, Nebr., as guest consignors.

We will be looking forward to seeing you November 9th and 10th. Bring along your friends.

ACADIA NAPOLEON 66th — Since we lost this bull in the spring of 1968 this will probably be the last chance to buy any more sons or daughters of this great "AAA" sire. One son and six daughters are being offered. This bull has sired over 100 champions for us. Eighty-three sons and daughters have been sold in our last five sales and these have totaled \$79,090. Not bad for an investment of \$2,500 for a two-thirds interest. Yes, that is what we paid for the "66th" at the 1962 International where he had been reserve sale champion for Acadia Farms. He was made All-American summer-yearling that show season. His dam was a half sister to the great International interbreed grand champion, PS Troubadour. The "66th" sons have averaged \$1,207 in our annual sales.

COLOMEADOW CONTROL — This big, rugged, long-bodied, thick-quartered herd improver is now gone, having died August 9th. However, one son and four daughters sell . . . not as many as we would like but his failing health in recent years impaired his breeding ability. Control classified "AA". He produced American Royal, National Western, Southwestern Exposition and Ak-Sar-Ben National champions.

REMITALL BANNER — Nine sons and seven daughters of this great Canadian International Sale champion sell. Purchased at Brandon in 1967 for \$8,000 in partnership with Davison Ranch, which partnership is now owned by Packard Cattle Co., Elbert. Banner is by the renowned Kelburn Great Event and out of Remitall Ruby Constance, 1959 Toronto Royal and Montana State Fair grand champion, and the 1963 Calgary National Show reserve champion. Last year four and one-thirds lots sold in our sale sired by Banner and these averaged \$2,533. A son sold to Darrell Chapman, Le-Grand, Calif., for the top bull price of \$4,200 for two-thirds interest. A daughter topped our sale at \$2,950 as a calf. The future for his progeny could be tremendous in this day and age of more size and stretch.

Minerva Starlet is a full sister to Colomeadow Bellringer, 1959 Denver reserve champion where purchased by Colorado State University. Ringwell Minerva won her class at Chicago in 1954 and teamed with Ringwell Lodestar to pin the pair of calves class. We are using this bull extensively. COLOMEADOW CONFESSOR

Four sons and three daughters of this bull sell in this sale. Like many great bulls, Colomeadow Confessor was not only a grand individual but he bred exceptionally well. In our opinion he was the second best bull sired by Marell-bar Confessor and, much like his half brother, Colomeadow Control, was very sound with plenty of size and lots of muscle.

Had this bull been promoted, many would have beat a path to his owner's door. He was that kind of bull.

Confessor's dam, Colomeadow Princess 22nd, was one of the best producing cows ever at Colomeadow. She was a descendent of the great Edellyn Princess Royal cow family that produced Campeon Mercury and Peerless Mercury.

COLOMEADOW DEACON — Out of a huge cow and a member of our National Western champion herd. He weaned 484 lbs. His dam produced Colomeadow Napoleon 6th that sold in our 1966 sale to Hurlbut Graves, Haigler, Nebr., and gained 3 lbs. a day on test. She also produced the \$2,000 Colomeadow Model that sold in 1964 to Oscar and Hazel Landaker, Woodrow, Colorado.

**T P S CORONET LEADER 21st x**

This "AAA" sire weighs 2,250 lbs. in breeding condition. He is one of America's most highly regarded beef bulls of all breeds, particularly in ranch country. His progeny have led all breeds on performance test. More of his sons successfully head leading western Canadian herds than those of any other Shorthorn sire. His daughters are the modern type, high classifying females that are making great brood cows. A daughter was grand champion at the recent National Show, Lincoln, Nebr., where she and a half sister won the best-pair-of-females class.

After much deliberation, Mr. Dreger reluctantly sold us this calf, his three-year-old dam and his sister so our friends and customers could see Leader's first calves. We are proud to present them and will anxiously await the buyer appraisal. We are retaining show rights through the winter shows and a one-third semen interest.

OUR 1969 BULL CALVES

One of the features of these annual sales are our bull calves. Bull calves, purchased in former sales, later developed into two National Western grand champions and an American Royal grand champion.

There is a certain amount of risk involved in buying a calf. One can never be sure how any calf will develop. However, by buying calves from a long-time, reputation herd like Colomedow, where only the best sires have been used and where a high quality cow unit has been maintained, eliminates most of the gamble. Our previous bull calf customers can attest to this.

These annual bull calf offerings give our customers a chance to buy a top herd sire prospect at their price . . . a much lower figure than would be possible for a mature bull of the same quality and stamp. Furthermore, the customer can develop his bull calf the way that best suits his future use.

See this offering. There could well be a champion in this group **FOR YOU.**

A rear quarter view of Pheasant Creek Leader 8th x, selling as Lot 16. Every polled breeder should see this calf.

These are the kind of bull calves that annually feature the Colomeadow sales.

	Easterlovat Bonnie
	Red, J. H. Fraser

COLOMEADOW MASTER MAN — We purchased the dam of this top prospect for \$1,500 in the 1966 Aberfeldy Sale. Aberfeldy Bonnie 3rd was a member of the Aberfeldy winning ten head at the 1962 International and never placed lower than 3rd wherever shown.

A group of feeder calves produced by Gil and Jane Abbott, Kiowa, Colo. The Abbott calves have won breed honors at many major shows and most are sired by Colomeadow bulls. What Colomeadow has done for the Abbotts it can do for you.

COLOMEADOW RAMALONG — We have sold a number of good daughters out of Colomeadow Belle 5th . . . one sold in our 1964 sale to Dale Petty; one in 1965 sale to Harold Hoskins, Centralia, Kans.; one in 1966 sale to Buddy Rambo, Rosebud, Texas; another in our 1967 sale to Roberta Talley, Cherokee, Okla. If a cow family means anything to you when selecting bulls, then this one has great potential.

COLOMEADOW JESTER, 1969 Western Shorthorn Ass'n Sale top seller at \$3,400 going to Keith Dykins, Beach, N.D.

Dear Bill:

When you put me next to Colomeadow Jester you certainly selected a bull that has appealed to all the cattlemen who have come into my yard. He definitely seems to be the style the ranchers are looking for around here now. I feel he was a deciding factor in helping me sell my yearling bulls this summer. (We sold 27 in ten days).

Most of the cowmen's eyes fairly danced when they saw the 1,940-lb. Jester. We already have orders for his sons next spring.

COLOMEADOW AUGUSTA 22nd — One of our best. Colomeadow Augusta 9th is the dam of Colomeadow Sting Ray, the breed's first Certified Meat Sire that sold for a record \$5,600 in the 1964 Western Sale to Dale Petty and later resold for \$10,000 for two-thirds interest to the Curtis Breeding Service. Another daughter of the "9th" sold for \$1,500 in our 1967 sale to Louada Farms. Remember, too, Augusta of Don Hill 8th was the dam of the highly admired Ringwell Lodestar 2nd.

OUR FEMALE OFFERING

Our entire 1968 crop of heifers sell in this sale. We are proud of these. Since we have sold all the cows we can spare to Elsie Hein & Sons, Sheridan, Wyo., no cows will be offered this year. However, you will like these young females. Colomeadow females are within the price range of everyone. Look at the following table

NUMBER OF FEMALES SOLD IN THE FOLLOWING PRICE RANGE AT OUR PREVIOUS SALES

	1968	1967	1966	1965	1964
\$1,000 and over	6	6	3	0	5
\$900 to \$899	0	0	2	1	0

\$400 to \$499	11	10	13	12	14
\$399 and less	9	13	14	13	7

Quality considered, the greatest annual female bargains are in our sales. Especially if you consider that the above prices include cows with valuable calves at foot and the matings to, what we feel, is the strongest herd bull battery in North America.

All of these 1968 heifers sell in this sale.

COLOMEADOW BUNNY BELLE — Maternal sister to the \$6,000 Colomeadow Fanfair purchased by Davison Ranch. One of our best that we recommend to anyone. A son of Belle 10th, Colomeadow Camero, sold in our 1967 sale to Dr. N. W. Kruse & Son, Genoa, Nebr.; Colomeadow Mustang, another son, sold as a calf in our 1966 sale for \$900 to James and Larry Wright. A daughter sold in our 1967 sale for \$1,275 to Davison Ranch. This is the sixth calf of Belle 10th's to sell in the last six years.

Colomeadow Belle 10th, dam of lot 28, with Colomeadow Mustang, a calf that sold in our 1966 sale for \$900 to James and Larry Wright, Okeene, Okla.

Colomeadow Pride of the 66th, champion and record selling bull at the 1966 National Western Shorthorn Sale when two-thirds interest sold for \$6,500 to Buddy Rambo, Rosebud, Texas. Lot 30 is out of the same dam.

What Our Customers Say About Colomeadow

Females - - - - -

"I have been in the Shuman pastures probably a dozen times in mid-summer and also in fall when the grass is short and dry. What I observe about Shuman cattle is their ability to maintain eye appealing condition on less grass than most cow herds regardless of breed. To me, this is a natural fleshing which we should all strive to infuse in our breeding program." — IGNATIUS ENGEL, GRAINFIELD, KANS.

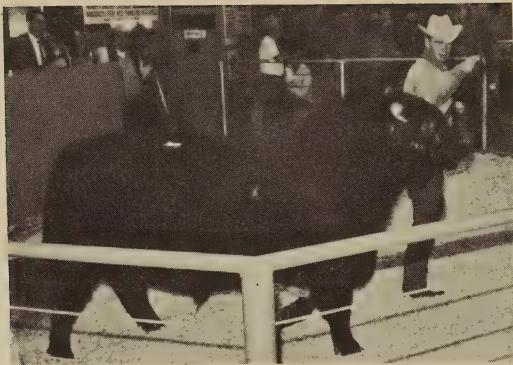

•
"We consider Colomeadow females a valuable investment in helping build the foundation of our herd." — W. KENT & CHRISTINA CHRISTENSEN, SHELLEY, IDAHO.

•
"Colomeadow breeds smooth and the right-sized producing animals." — RUSSELL CANTWELL, TYLER, TEXAS.

•
"We are impressed with the easy fleshing ability of our Colomeadow purchased cattle." — HAROLD BILSLAND & SONS, WOOD RIVER, NEBR.

•
"John Shuman & Sons' superior type cattle just don't happen every day. They use careful selection and planning to produce the right kind of Shorthorns. They are not overly fitted and do well on our rough and rocky pastures and feed out very well at a size most desirable for the modern market." — BOB RUTLEDGE, CHEYENNE, WYO.

•
"We have been infusing Colomeadow bloodlines for nearly a decade." — JIM FLANDERS, KUHRT FARMS, EDSON, KANS.

Colomeadow Jester as he looked April 7th while parading through the Western Shorthorn Ass'n Sale ring where he sold for the top price of \$3,400 to Keith Dykins, Beach, N. D. Elbert Williams, Medicine Lake, Mont., was the runnerup bidder. When two such astute cattle breeders like a bull you know he had to be good. Lot 57 is a maternal sister.

COLOMEADOW LOLA — This Braeside-bred heifer has a lot of size bred into her pedigree. She is a good one besides.

COLOMEADOW CLARA BELLE 7th — The dam of this heifer produced a heifer calf that sold for \$470 in our 1967 sale to Tip Lucas & Son, Lenox, Iowa.

A pen of heifers that sold in last year's sale. Look good, don't they. They made for a lot of happy buyers.

COLOMEADOW BELLE 22nd — Colomeadow Belle 20th has been a very good and regular producer. This family produced the \$6,000 Colomeadow Fanfair. Two maternal brothers sold in our 1967 sale . . . Colomeadow High Caliber, purchased for \$725 by John Otten, Lewistown, Mont., and Colomeadow Guidepost, purchased by Greg Soule, Pine Bluff, Wyo. In 1968, Miles Austin & Son purchased Colomeadow Peacemaker, another son of Belle 20th.

The next 25 lots are heifer calves. Some of Colomeadow's best cow families and best sires are represented in this high quality group. These will make ideal show prospects for junior exhibitors and foundation females for established breeders.

This big, growthy, quality heifer calf is Colomeadow Belle 22nd, Lot 64 in this sale. She is typical of the quality of this year's calf offering.

Note the great character in this pose of Pheasant Creek Leader x. We predict this bull will write a new chapter of improvement in Polled Shorthorns.

One of the year's most impressive polled calves sells as Lot 65.

Note that both are Colomeadow Control daughters which should make them doubly valuable.

Colomeadow Victoria 3rd as she looked when she sold to Darlow Mencke, Blair, Nebr., in our 1968 sale for the top price of \$2,950. Lot 69 is closely related.

Elsie Hein & Sons, Sheridan, Wyo., buyers of over 100 Colomeadow females this year, are the consignors of Lots 67 through 78. We predict great things for this new herd and these likeable, qualified new breeders.

STANDARD GUARANTEE

1. A - Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

B - All bulls are guaranteed breeders provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

C - With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to seller.

D - When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

E - In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy as such a certificate is required by the seller.

F - All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

G - Certificates of registry and transfer will be furnished with each animal sold. A signed application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.

H - All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

2. SHIPPING ARRANGEMENTS: It is the obligation of the consignors and this association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for shipment. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals are cared for properly.

BE SURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS AND CORRECT TRANSFER INFORMATION WITH THE SALES CLERK.

3. INSURANCE: Coverage may be secured at the time of sale.
